Ensure safe custody of the pass book. In case of loss, stolen, destroyed or report, make an application for issuance of a duplicate pass book. Duplicate pass book is issued with internal charge.

चेक बुक की सुरक्षा: Cheque book safeguards:

1. While writing a cheque, use permanent ink (ball pen).
2. After payee's name and amount, please draw a line in the space left on the cheque.
3. A cheque should be signed after all details filled in and verified.
4. Do not write on the MICR strip.
5. Cross a cheque by drawing two parallel lines at the top left corner of the cheque before handing over. A crossed cheque makes it easy to track any wrong payment to an unintended beneficiary.
6. Ensure that you have sufficient balance in the account to pay for the cheque you have issued. Bank will return the cheque and will charge you for the transaction. Besides, the payee can take criminal action against you for issuing a cheque without having the funds to pay for it.
7. यदि बैंक खाता संख्या के सत्यापन हेतु खाती चेक प्रदान करने के लिए कहा जाए, तो चेक प्रदान करने से पहले उस पर एक कोने से दूसरे कोने तक "Cancelled" शब्द लिख दें।
If asked to give a blank cheque for verification of bank account number, write the word 'Cancelled' diagonally across the cheque before giving it.
8. चेक पर किसी प्रकार का परिवर्तन/संशोधन न करें, अदाता के नाम व राशि (वैधता हेतु तिथि में परिवर्तन के अलावा) में किसी प्रकार के परिवर्तन की दशा में नयी चेक शीट का प्रयोग करें।
No changes/correction should be carried out on the cheques. For any change in the payee's name, amount (other than date for validation purposes) etc. fresh cheque forms should be used.
